

THERE IS LIFE AFTER BRAIN INJURY

We support survivors of an acquired brain injury who live in Luton and surrounding areas.

A BRAIN INJURY CAN HAPPEN TO ANYONE AT ANY TIME.

THE EFFECTS CAN BE LIFE CHANGING, BUT WE ARE HERE TO HELP YOU MOVE FORWARD WITH YOUR LIFE.

We provide a range of activities to meet your physical, cognitive and social goals. We also signpost, offer information and guidance, support with housing, benefits and a range of other issues.
